INSTRUCTIONS FOR ONLINE BID SUBMISSION

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL: <http://eprocure.gov.in>). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

(i) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal: <https://eprocure.gov.in/eprocure/app> by clicking on the link “Click **here to Enroll**” on the CPP Portal is free of charge.

(ii) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

(iii) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.

(iv) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / NIC/ (n)Code / eMudhra/Capricorn etc.), with their profile.

(v) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.

(vi) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

(i) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.

(ii) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective “My Tenders” folder.

This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

(iii) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

1. Tender Cum Auction is a combination of Tender Followed by Auction (Reverse / Forward Auction). It is also called as eRA.
2. In eRA, Tendering process will be followed as per the instructions given in NIT/Tender Documents. Subsequently, Reverse(or Forward) Auction as the case may be, will be conducted amongst techno-commercially qualified / approved bidders after Opening of Financial/Price Bids’ online. The Reverse (or Forward) Auction will be normally initiated after Opening of Price Bids. There will be no participation fees for Auction.
3. Only such bidders - who have been found techno-commercially qualified as per requirements of the tender will be permitted to participate in the Reverse (Forward) Auction.
4. After opening of the price (financial) bids and System displays L1 (or H1) price based on either over all basis or item wise/lot basis automatically. Using this system provided price, which would be auction start price (can be changed, if required), procuring entity will create Reverse (Forward) Auction and publish the same.
5. The Techno-commercially qualified bidders will receive Auction information through SMS & email. The participating bidders get an opportunity to revise their prices (reduce in case of Reverse Auction and increase in case of Forward Auction). It allows bidders multiple opportunities to offer a price.
6. Procedure in submission of bids by the bidders during Reverse/Forward auction online. Bidders shall login using their login ID & Password and then using DSC. Click on My Auctions button given in left side of page, to view Action details for which Techno-Commercially qualified.

For participating in Live Auction.

- (i) Click on Live Auction Button.
- (ii) Click on View button to participate in interested Auction. There is List of qualified Lots in which Bidder can participate against selected Auction.
- (iii) Click on Hammer Icon to participate in the respective lot.
- (iv) On clicking Hammer Icon, system will show Start price, decremental (or incremental) price and Current price against lot. Current Price is appears as Blank in case no bidder has offered price.
- (v) Enter your Price in ‘My Auction Price’ in multiples of decremental (incremental) value upto above (below) Max Seal % value, and then sign it digitally by clicking on Sign Icon and click on submit button.
- (vi) System will show your Latest Value / Price Quoted and system will also show Least Amount/Rate which any Bidder would have quoted.

Terms and conditions for Reverse(Forward) Auction are as follows:

1. Reverse(Forward) Auction will be initiated after opening of price bids. The schedule of Reverse(Forward) Auction shall be intimated to the bidders by the system through their registered email and SMS to mobile number.
2. Only those bidders whose price bid has been opened by the Tender Inviting Authority shall be eligible to participate in Reverse(Forward) process. However, in case of in

Reverse Auction process, the H1 bidder whose quote is highest during tender will not be allowed to participate as per H1 elimination policy. Similarly, in case of in Forward Auction process, the L1 bidder whose quote is lowest during tender will not be allowed to participate as per elimination policy.

3. Bidders are advised to read the 'Reverse(Forward) Auction terms and conditions' details of Reverse(Forward) Auction event carefully, before auction event.

4. Reverse (Forward) Auction can be held in two ways as indicated in the tender either on the Total overall cost of items/works or on Item wise/ Lot wise.

5. The 'Starting price' i.e. Start price and bid decrement (increment) price for Reverse (Forward) Auction will be decided by the Tender Inviting Authority.

6. Bidders shall be able to view the following on their screen along with the necessary fields during Online Reverse Auction:

- (a) Current Bid Price in the Auction.
- (b) Start Price.
- (c) Decrement (or Increment) value.

7. The bidding direction in case of Reverse Auction is downward and for Forward Auction is upward.

8. In case of Reverse Auction, in order to displace a standing lowest bid and to become "L1", a bidder can offer a minimum bid decrement or in multiples of decremental value up to above Max Seal %.

For ex :

Current price :- Rs. 49,000 Decrement value :- Rs. 1000 System Defined Maximum Seal % :- 50, in this case a bidder can quote minimum decrement amount as Rs 49,000-1000= Rs. 48,000 and maximum decrement amount is 49000-24500-1000=23500=24000 .*

In case of Forward Auction, in order to displace a standing highest bid and to become "H1", a bidder can offer a minimum bid increment or in multiples of incremental value up to or below Max Seal %.

For ex : Current price :- Rs. 49,000 Incremental value :- Rs. 1000 System Defined Maximum Seal % :- 50, in this case a bidder can quote minimum increment amount as Rs 49,000+1000= Rs. 50,000 and maximum increment amount as 49000+24500+1000=74500=74000 .*

This continues as an iterative process.

9. The system will not disclose the name of the L1 (H1) bidder, number of bids and names of the bidders on the portal to anybody prior to the completion of Reverse/Forward auction process.

10. There shall be no communication between the Tender inviting Authority and bidders and among bidders.

11. Bidders only see the lowest (highest) bid during Reverse(Forward) auction. At no point

of time will any bidder see the name of other bidders or the prices of bidders other than the lowest bid.

12. After the completion of the online reverse(forward) auction, all bidders who have participated in Reverse(Forward) will see the L1(H1) price in Auction and further processing will be done by Tender Inviting Authority.

13. In case of no participation by techno-commercially qualified bidders in Reverse (Forward) Auction, the Tender price bids received during tender will be processed.

14. In case of auction on total value of items/works, the successful bidder may be required to submit a letter for price confirmation and rates of individual items/works within stipulated number of days after completion of Reverse(Forward) Auction event, besides sending the same by registered post / courier to the tender inviting authority.

15. Any variation between the final bid value during RA and that in the confirmatory letter forwarded will be advised to re-work and submit.

16. Server time shall be the basis of Start Time and Closing time for bidding and shall be binding for all.

17. All electronic bids submitted during the reverse(forward) auction process shall be legally binding on the bidder.

18. The chronologically last bid submitted by the bidder till the end of the auction will be considered as the valid price bid offered by the bidder and acceptance of the same by Tender Inviting Authority will form a binding contract between Tender Inviting Authority and the bidder for entering into a contract.

19. The last successful bid price quoted by bidder will be considered as valid price at any point of time during Auction.

20. If a bidder does not submit bid in the Reverse/forward Auction, the price quoted by them in the price bid shall be considered as the valid price of that bidder. The status of the bidder (L1, L2 /H1 , H2 etc) shall be evaluated considering either the bid price submitted in Reverse/Forward Auction or the price quoted in the price bid, whichever is lower.

21. In case of disruption of service at the service provider's end while the Reverse(Forward)Auction is live due to any technical snag or otherwise attributable to the system failure at the server end, Tender Inviting Authority in consultation with Application Administrator may decide to extend auction if required as per system malfunction procedure displayed in the home page of the website. In this case, the status quo of Auction will be maintained prior to failure and process would continue from that point onwards.

22. Post auction procedure: The Tender Inviting Authority will proceed with the Lowest(Highest) Bid in the Reverse(Forward) Auction for further processing.

23. Schedule for Reverse Auction: The Reverse(Forward) Auction schedule will be intimated later on through e-mail and SMS after opening the price bid.

24. Auction extension time: If a bidder places a bid in the last {...} minutes of closing of the Reverse Auction and if that bid gets accepted, then the auction's duration shall get extended automatically for another {...} minutes, for the entire auction from the time that bid comes in. Please note that the auto-extension will take place only if a bid comes in those last {...} minutes and if that bid gets accepted as the lowest bid. If the bid does not get accepted as the lowest bid, the auto-extension will not take place even if that bid might have come in the last {...} minutes. In case, there is no bid in the last {...} minutes of closing of Reverse Auction, the auction shall get closed automatically without any extension. However, bidders are advised not to wait till the last minute or last few seconds to enter their bid during the auto-extension period to avoid complications related with internet connectivity, network problems, system crash down, power failure, etc. The above process will continue tilltimes extension is given during Reverse Auction. All bidders, regardless of their previous position, can submit their bid during the extension period also.
25. Bidding currency and unit of measurement: Bidding will be conducted in Indian Rupees as indicated in the tender.
26. Validity of bids: Price shall be valid for a period of defined number of months from the date of reverse auction. These shall not be subjected to any change whatsoever.
27. Bidders' bid will be taken as an offer to execute the work (or to award supply of the item) as per enquiry no. {.....} dt. {.....}. Bids once made by the bidder, cannot be cancelled/ withdrawn and bidder shall be bound to execute as mentioned above at bidder's final bid price. Should bidder back out and not execute the contract as per the rates quoted, action shall be initiated s per the tender terms and conditions.
28. The Tender Inviting Authority decision on award of contract shall be final and binding on all the Bidders.
29. The Tender Inviting Authority reserves the right to extend, reschedule or cancel the Reverse Auction process at any time, before ordering, without assigning any reason, with intimation to bidders.
30. The Tender Inviting Authority reserves the right to suspend or pause the reverse auction, if required. In such cases, as per discretion of Tender Inviting Authority, auction may be reopened.
31. The Tender Inviting Authority shall not have any liability to bidders for any interruption or delay in access to the site irrespective of the cause. In such cases, the decision of Tender Inviting Authority shall be binding on the bidders.
32. Failure of power or loss of connectivity at the premises of bidders during the Reverse(Forward) auction cannot be the cause for not participating in the reverse (forward) auction. On account of this, the time for the auction cannot be extended and the organisation is not responsible for such eventualities.
33. Other terms and conditions shall be as per tender.

34. Bidder shall not divulge Bids or any other exclusive details of the organisation to any other party. If the Bidder or any of its representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, action will be taken against such bidders as per banning procedure of the organisation.

35. Tender price bid (s) means the price bid (s) received during tendering for the items/work/services.

36. Auction closing price bid means the lowest (highest) online price bid received after the completion of Reverse(Forward) Auction
